Buying and registering a car

Case	DEMO-CASE-001
Intended recipient	For contract preparation and handoff to inspection and registration; it is neither the contract nor registration certificate.
How to use	Use the sheet as a consistent set of details for agreed processing; original vehicle records require a separate check.
What remains to be done	Sign the contract, present the vehicle and obtain registration records from the authorised institution.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
