Notary and certified copies

Case	DEMO-CASE-001
Intended recipient	For the selected notary office; a preparation brief, not a certified copy.
How to use	Give document, page and copy requirements, arrange attendance and establish whether translation is needed.
What remains to be done	Provide the original and collect certified copies from the notary. Notary fees and translator work are agreed separately.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
