Registering a sole trader or company

Case	DEMO-CASE-001
Intended recipient	For preparing APR registration data. This example concerns an entrepreneur, not every company form.
How to use	Agree the business form, check the name and activity and transfer details into the current registration.
What remains to be done	Discuss tax decisions with an accountant; sign and submit official records. The sheet is not an APR decision.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
