Residence for treatment or care

Case	DEMO-CASE-001
Intended recipient	For administrative preparation of treatment residence. The clinic issues medical evidence.
How to use	Connect the proposed period to the institution’s letter and separately check the companion’s ground.
What remains to be done	Obtain original medical evidence and complete required filing. The authority, not this sheet, decides on residence.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
