Temporary residence based on property

Case	DEMO-CASE-001
Intended recipient	For preparing a MUP application; this is a data sheet, not an issued residence permit.
How to use	Transfer checked data into the current form and attach the supporting evidence. Preparation of that form and filing arrangements must be agreed before ordering.
What remains to be done	Actual originals and a complete-records check are needed before filing. The applicant signs and performs mandatory personal steps.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
