Tax residency and foreign income

Case	DEMO-CASE-001
Intended recipient	For an accountant/tax professional to assess residency and obligations; not a tax return.
How to use	Give the summary with the contract, statements and residence evidence. Data preparation is distinct from tax calculation.
What remains to be done	Add the missing statement and confirm complete income information. Calculation and filing are agreed with the tax professional.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
