Dispute with an internet or mobile provider

01 · Document	Completed telecom complaint
02 · Document	Completed telecom bill discrepancy calculation
Case	The contract states RSD 2,000 a month, but September’s bill is RSD 3,500. The complaint identifies a RSD 1,500 difference and asks for explanation and correction.
Before use	Check additional services and actual usage. The difference alone does not establish an improper charge.

Every prepared document listed here is shown above and can be downloaded. Referenced official input records are not attached originals in DEMO.
