University admission

Case	DEMO-CASE-001
Intended recipient	For the selected programme’s admissions committee; a motivation letter, not an admission confirmation.
How to use	Attach it where accepted by the programme. Actual achievements and the university’s requirements are checked before preparing the real letter.
What remains to be done	Submit the required application, resolve education recognition and complete any examinations or interview.

Preparation and filing are different stages. DEMO contains no submission, certification, appointment booking or authority decision. Before an actual order, preparation scope, professional participation, delivery method, timing and price are agreed explicitly.
